JANUARY 2018

NEXT MEETING : JANUARY 11th

Hi Cruisers. Well the holidays are over and a new year has begun and I find myself trying to get geared up for the coming year. Lots to do for the family, the club and myself and don't know just what to take care of first.

Things are already on the calendar for the family, the car show list has already started and I haven't done one thing to get myself or the old problems on the cars fixed for this new year. Guess I'd better get busy with all of it.

As far as the club goes, during January we hope all members will renew their club membership and maybe get some new members to join. It's time to start working on getting sponsors, time for me to get the show flyers made up and get our shows listed so no other club gets on our same dates. So far we've been asked to do the Striped Bass show again, that's April 21st and we set our Kmart show date as September 29th. We'll be looking for some place and date to have our club picnic so keep that in mind. Don't forget our 4th Saturday cruise-ins at Kmart April through September.

We had a good year last year with sponsors, shows, picnic, cruise-ins and some cruises to go eat and socialize. I'm looking forward for bigger and better things this year and hope you are too. We had a real good turnout for our December meeting and I'd like for each meeting to be full of members and fellowship. Hope to see you all at the Jan. 11th meeting at Logan's. We have lots to talk about and do this year, hope all of you will participate as much as possible and make this the best year ever.

Keep our sick members in your prayers.

God Bless,
David
