JUNE 2013

NEXT MEETING : June 13

Presidents Corner: May, another busy month! Andrea and I are really sorry we missed so much with the club this month, but the family time was great. We heard that everything, the cruise-in, parade and Iris Fest, “Show and Shine”, were well attended and everything went terrific. I have to thank Bobby and Tony and all those who helped them to make all these club events successful. This proves how great it is when everyone comes together to make it all work. Also, the pictures are on the web site already! Thanks Bob. With new members, new sponsors and more contacts wanting us to put on shows or attend their shows, this will continue to be a busy year. I hope more members will be able to make the meetings and other club activities so that we can continue to be a close- nit club, enjoy our vehicles and our time together. See you at the June 13th meeting.
David

Last Meeting: There were 32 members present at our May meeting. After an opening prayer we all sat down to enjoy a wonderful buffet supper.

Bobby Beatson took the floor and shared with everyone how successful the Striped Bass Festival had been. Also, the first three trophies awarded were to members of our club- 1st place JB Hodge, 2nd Tony Mancini and 3rd to Jesse Robertson. Bobby also mentioned that it may be to our club's best interest to add another car show to our schedule or use this as our show for the year. This will be brought up later for the club to vote on it.

E.Y. brought up different things that are in the news letter and added that if there is anyone who would like to add items to it to contact him.

Andrea went over the club's finances. All is a-ok. Andrea read thank you letters from, The United Ministries, in heartfelt gratitude for our support as well as a beautiful letter from the Crosswell Children's Home.

Dave informed us that our new insurance carrier is now Hagerty, better coverage at a better rate. Also, there is a girl from Sumter that would like to use an older truck for her wedding pictures. If anyone is interested please let Dave know.

Bob says the web site is going great.

Tony informed us that T-shirts are still available. Just let him know the size and how many. Tony started a discussion about allowing children back at the meetings since we are suppose to be a family oriented club. It's in "discussion stage" and will be decided and voted on soon.
