AUGUST 2013

NEXT MEETING : AUGUST 8

Presidents Corner: Hi Cruisers. Well it's been another busy month. Our cruise to McBee and to Camden went well. Those that went had a good time. I guess, because of the weather, our Saturday night cruise at K-mart was poorly attended, but those of us that made it, didn't get wet and had a good time.

This month's meeting is very important!!!! We need to have as many members there as possible.

We will be talking about our upcoming car show in September, who, what, where and how you will be able to help.

We will also need to talk about where we will be holding our meetings in the near future.

These are important **club** decisions that **all members** should be a part of. Please try to be there.

Thanks,
David

Last Meeting: With 36 members in attendance we started off with a word of prayer and a luscious meal which all enjoyed.

Dave showed some of the fabulous trophies he has made and encouraged us to do the same and bring them to him.

We were all happy to see Harvey Gainey as he is dealing with shingles. Wishing Harvey a speedy recovery. Bobby Beatson addressed having two shows, one here and the other in Manning. John Coward added that we need to make sure that all the input and accommodations that were expressed to us by the Festival organizers, as helpful aides, are in fact enforced. It was motioned, second motion and agreed upon that we would do two shows.

EY says the newsletters are being sent by e-mail and snail-mail. We are receiving it in ample time. All is well. If by chance you are not getting the newsletter, please notify E.Y.!

Bob Trail tells us the website is up and running and all are invited to view it. People (non-members) who have interest in the club should be told to visit our web site. If nothing else, the music is great!

Andrea went over the funds and all are in great order.

Tony Mancini went over, again, about having children at our business meetings. It was voted on but, again, not enough members were present to change the bylaws, so it was tabled.

Members, this is your club and we encourage your input. That's the purpose of the monthly meetings. It's difficult to attend them all, however, you should try to come to a few. You will get hands on info and be a part of the decisions plus get a warm, friendly and delicious dinner. You can't beat that. See you there.

Please check the web site on all the meets, upcoming shows and events! You won't miss a trick. Also you can call anyone of the officers. You will find their telephone numbers-you got it, on the web site.

Dave and Andrea sold the 50/50 tickets, which brought \$60.00 to the winner, Jerry Brunson. Good going Jerry.

See Ya next time,

Annie
