JANUARY 2019

NEXT MEETING : January 10 th

Presidents Corner:

Happy New Year Cruisers, Hope everyone had a good Holiday with family and friends.

First, I want to thank all for the concern and prayers for my granddaughter. She is home recuperating and doing well.

2019 is already shaping up to be a busy year for car shows and cruise-ins. Lots of clubs taking dates and putting the info out on face book and social media. Where are we?

We have been asked to do the Striped Bass Show, April 20th, and we decided to do our show, September 28th. I know the dates for all our cruise-ins too; just don't know where we will be able to have our show and the cruise-ins since Kmart is closing. We (the Officers) will be working on this problem but we would like all your help in finding an area that will suit our needs. Please let any of the officers know of places that we can check out.

In the mean time, I asked several places to allow us to have cruise-ins during the winter months. The only place that was agreeable was Cut Rate Drugs (Todd Touchberry) and that has been set up for the 4th Saturday, January - March, at 8am. Our first cruise-in will be Saturday, Jan 26th. I think some eats and coffee will be provided, I'll know more by club meeting time. Hope you can make it.

January is membership renewal and new member sign up time so you'll find the forms attached. Please fill a slip out and turn it in with your payment as this is our receipt that you paid.

Hope to see you all at the January 10th meeting at Logan's.

Sumter Cruisers Meeting Notes

Club meeting December 13th

37 Members attended tonights meeting. Dave said the blessing and after we ate Dave opened the meeting and welcomed everyone. Dave mentioned all those that had been sick and were at the meeting and asked for prayers for those that were not there. Steve Latempt was also mentioned as needing our prayers for his upcoming surgery.

Our special guests, from our charitable organizations, were here,
Mark Champagne----Sumter United Ministries
Jerry Allred-----Crosswell Home for Children
Marnie Walls-----Relay for Life.

They each accepted a check from the club for \$1400.00 to help support their organizations. Each spoke about how our donations would be used to help our friends around the community as there is a lot of help needed for people who are sick and having trouble and each thanked our members for our support. Each one also asked if anyone had an interest in volunteer work, to let them know.

Andrea said our finances are good. Mike Weathersbee is still taking magazines for the schools.

It was mentioned that Ronnie Wells father had passed, our sympathy to him and the family.

Our next meeting is January 10th, 7pm at Logan's.

Dave wished everyone a Merry Christmas and Happy New Year.
