DECEMBER 2018

NEXT MEETING : DECEMBER 13TH

Presidents Corner:

Hi Cruisers,

Well the end of the year is here and I think it's been a pretty good year for the club.

We had two good shows, (always want more cars) , good cruise-ins (always want more club participation and more cars) and some fun times cruising to shows and places to eat.

I think there's always room for improvement, so if you have ideas, please share them with the club officers.

We've had our share of sick club members this year. Please remember to keep them in your prayers. Also, let us know when prayers are needed for someone.

This month we will present our three charities with checks in the amount of \$1400.00 each.

That's really good considering we also donated \$1000.00 to flood relief. We've done well and you should all be proud of the work you've accomplished. Keep looking for new sponsors and revisiting the old ones so that we can continue to help support the local community.

Thank you all for reelecting all the club officers. I know they did a good job last year and will continue to do the best for the club this year. I'm sure most would like some relief next year, so, if you have any desire to hold an officer position get more involved and learn the different jobs so that you can help the club with your talents.

The officers wish all club members a very MERRY CHRISTMAS and a BLESSED NEW YEAR.

Hope to see everyone at the Christmas meeting December 13th at Logan's.

David

Sumter Cruiser's Minutes 11-08-18

There were 39 members present at our meeting. David opened the meeting and Claude Rabon said the blessing. John Coward and Dave sold raffle tickets for our 50/50 drawing.

Dave asked for prayers for Dorothy and Willie Larrimore, Betty Hodges, Andrea, John Coward and Robert Hayes

.Bobbie Beatson suggested cruising to Sonic on Saturday mornings. Several other spots were mentioned, any suggestions are welcome. It was decided that if anyone wanted to meet at the Kmart parking lot on the fourth Saturday of this month at 3:00, we'd see how many people are interested.

Andrea reported that the finances are good. We made a \$500 donation, (250.00 each), for Hurricane Relief through Samaritan's Purse and Bethesda Church of God.

Tony reported that sponsorship was really good last year and hopes we can continue. It's not too early to ask for sponsors.

The Christmas Parade is Sunday, December 2nd. We are signed up and everyone is invited to participate.

Mike Weathersbee is still collecting magazines for the schools.

We discussed buying more speakers for our P.A. system. If anyone knows anyone who has some or would give us a good deal, please let us know.

It was decided to give each of our charities \$1400 this year. It will be presented at our December meeting.

We also discussed our charities for next year. Andrea suggested Samaritan's Purse. John and Hilda Coward toured United Ministries with Mark Champagne and were very impressed by what they do. They suggested United Ministries. Mrs. Campbell suggested Relay for Life. Everyone agreed on these three organizations as our charities for 2019.

Tony talked about nominations for officers for next year. All offices are open for nominations. Mike Roberson is too busy with his work schedule to be Editor of the newsletter so that office is open also. There were no nominations submitted and none from the floor. Dave will remain as President, Bobby Beatson as Vice-President, Jim will remain Secretary, Andrea as Treasurer, and Tony as Member-at-Large. Jim will take over as Editor. Russ Thomas will maintain the Website.

We have been asked to put on another car show in April in Turbeville. We discussed participating but not actually putting on a show. The Striped Bass Festival is also in April and we are already committed to doing that show.

Larry Brunson was in an accident and is getting his car repaired. Jack Sanders bought a 1955 Chevy truck.

Some members are going to Lake City on Saturday for a car show

William Baker won the 50/50 money this month of \$68.00

Next meeting is December 13th at Logan's.
