September 2019

Sept. meeting, Sept. 12

Presidents Corner:

Hi All, hope the summer heat has gone and we can get back to some outside activities.

Our last cruise in was pretty good, cool, cloudy and some different cars.

Trophies are complete and ready for our show Sept. 28th.

Still have flyers to pass out, so, if you're going to a show please take our flyers and pass them out.

We'll be needing lots of help setting up for our show on the 28th since this is the first time at the new location

Please everyone try to be there by 7:30 so that we can figure this new area out and be ready when the cars show up.

As most of you know we lost another friend, Gene Disher. He put up a long fight but went to the Lord last week

Thanks to those that went to the service, it means a lot to the family and one day we'll all be there wanting support for our families.

Can't stress enough that election of officers will be in a couple months, need to think about the direction of the club and who will lead it as club officers.

We did renew the web site for the next two years. Don't forget to use it.

Hope to see you all at the club meeting, Sept. 12th at Logan's.

David
