December meeting Dec. 12

Presidents Corner

Hi Cruisers, Happy Holidays. Hope you all had a nice Thanksgiving.

This being my last President Corner, I want to thank **Bobby, Andrea, Jim, Tony and Russ** for all the help they gave me keeping the club going. I want to thank all club members who were there to assist us in all the things we did as a club. I want to thank those that have stepped up to be the new club officers. Please continue to help and support them.

As a club officer, it's the members' participation in club activities that makes it worthwhile to spend time arranging things for the club to do. Please continue to make suggestions, help with activities and participate in all club functions. As I always say, "It's your club, get involved".

We still have a parade and car shows going on this month, so don't let the cold weather stop you from enjoying your car and the fellowship that goes with it.

Hope you will all make it to the December 12th meeting at Logan's. We'll be enjoying the fellowship and giving our charities their money. I do have the "Thank You" letters ready for our sponsors and would like to give them out at this meeting too.

Don't forget the Dec.7th show at Car Quest on Broad St. and the Dec. 8th Christmas parade. Hope you can make both.

Andrea and I want to wish everyone a very **MERRY CHRISTMAS**

and a **BLESSED AND JOYFUL NEW YEAR.**
