June 2019

June meeting June 13

Presidents Corner:

Hi All. WOW what a month. So HOT and so Sad! Thanks to all that went to our Show & Shines in Camden and Silver. It means a lot to those that can't get out and don't have much else to look forward to.

Also, thanks to those that came to our first cruise-in at Wesmark. It was hot, but we had a breeze and shade from the tents made it bearable. Maybe we should change the times to 7pm to 9 or 10 pm. It would be a lot cooler.

Thanks also to those that came and paid respect to our two car friends and members that passed last month, Don Walker and Claude Rabon, both good guys that will be missed.

Our club picnic went very well. Thanks again to JB and Sellarhea for opening up their home and yard to us. The food and fellowship was wonderful. If you didn't make it, you missed a great time.

We've been asked to do another Show & Shine. This time it's in town so I hope more members will be able to attend. It will be Friday, June 14th 10-12am at Sumter Health & Rehab on Miller Rd. They will have lunch for us after. Let me know if you plan to go.

Again, let me know if you're going to shows so that you can take some of our flyers to pass out.

Hope to see you all at the next club meeting, June 13th at Logan's

David

Cruisers Minutes for may 9, 2019

32 attended tonight's meeting, Dave opened and asked that we remember Andrea, who has bronchitis and Larry and Marybeth Brunson who will be having surgery soon. Betty Hodges had more surgery but was at the meeting. Please keep them and all our sick members in your prayers.

Mark Hodges said the blessing.

We now have 55 members including Don Herlong , who rejoined the club.

Bobby reported the trailer is cleaned and ready for our upcoming cruise-in's. The first one will be May 25 at our new location in Wesmark Plaza, behind Moe's. Our Striped Bass Show turned out well; we had a good time, thanks to everyone who came out to help.

Tony reported that we have 53 sponsors, please support them as they support us.

Russ is updating our website, please check it out.

We will be cruising to Camden May 15. and to Silver May 17 for a Show & Shine for the nursing home residents with lunch provided after. We have been asked by another nursing home in Camden to have a Show & Shine in June. Dave will work on that.

May 26 we will have our club picnic at J.B. Hodges place at 1 o'clock.

Please bring a covered dish and your own drink, the club will provide pizza & chicken.

If anyone is interested in driving their car in a wedding in Hartsville S.C. on July 14, from 1-4 o'clock please let Dave know.

Joe Jordan suggested we all get matching shirts, everyone seemed to agree If we can find a suitable way to get them.

Dave thanked John Tuttle for passing out flyers at car shows.

Mike Weathersbee still needs magazines for school projects.

Check your e-mails for shows. If anyone needs flyers to pass out for our show let Dave know.

Dave won the 50/50 drawing.

Our next meeting will be June 13, at Logan's
