MAY 2019

NEXT MEETING : MAY 9th

Presidents Corner:

Presidents Corner,

Hi cruisers, Thanks again to all those that showed up for the Striped Bass Show and helped out. It was a good show but lacked participation. Too many shows on the same weekend ? Too much of the same stuff ?

May is a busy month for shows. Lots of shows each weekend, if you go to a show, please, take our flyers with you and pass them out. I always have some ready to go, just let me know when you need them.

We have two Show & Shines this month. May 15th we'll go to Springdale Home in Camden. We'll leave from the old Kmart parking lot at 9:45. They will have lunch for us. Hope you can make it. May 17th we will go to Silver for our second Show & Shine. We will leave the Piggly Wiggly at 10:00 and cruise down. They will have lunch for us. Again, I hope many of you will make it.

May 26th will be our Club Picnic at JB Hodges home. (4440 Briar Branch Rd.) Club will provide chicken and pizza and we ask that you bring your favorite dish or dessert and drinks. We'll start at 1-1:15. Hope all of you will be able to be there. We had a great turnout and time last year.

I received a call from Pinedale Resident Home in Camden and they are asking for a Show & Shine in either June or July. I told them I'd bring it up at the meeting and see how you all feel about going there.

I also got a call from a gentleman that wants a classic car for his wedding in Hartsville July 14th. You would drive the bride to the church and stay for pictures after. Should take from maybe 1 to 4pm. He's willing to pay. He also wants to know if anyone would be interested in him using your car for pictures for different photo shoots. He's willing to pay for that too.

Last year at the election of officers it was mentioned that maybe someone (who's considering an office) should shadow the current officer to help learn the jobs responsibilities. I think it's a good idea, and I know it's time for others to step up and take responsibilities for this club. Several of the officers are ready to let someone else take their position. If you would like to hold a office, please, talk to the person in that position and get yourself ready for the November elections. It's our club, let's share the wealth.

Hope to see you all at the May 9th meeting at Logans
