NEXT MEETING Apr 10

Presidents Corner: Hello Cruisers, Boy it's been a month!!!!!!!

The beach show was pretty good, hope those that made it enjoyed it. For those that didn't, again there were over 3000 vehicles to look at. Almost impossible to do. Wish we could have a show with a tenth of that number.

Your officers have been working hard to make the Striped Bass show in Manning a success. Last week they let us know we're parking in a different location, a nice new parking lot. Hopefully, this will make it a better show.

We've had a lot of members with health problems lately and I've been trying to keep up with the info on them. Hopefully, I've been able to do that and you all have kept them in your prayers.

We (the officers) have been receiving calls from different people wanting us to help them put on shows or cruise-in. We're doing our best to keep things manageable, so I'll have some questions for you next meeting about who you'll want to help or where you might want to cruise to.

We'll be meeting at Wikked wings this month. I'll be sending an email out with their menu attached so you can have an idea of what you might want to order.

Don't forget our cruise-ins start this month on the 26th. We've passed out a lot of flyers already, maybe we'll have a good turn out.

Next month is the Iris Festival. We'll be talking about that at the April meeting.

Don't forget this is "your" club, if there is something on your mind, bring it up to the club and let's talk about it. The only bad suggestion is the one you never get an answer too.

Hope a lot of you will be at the show Saturday, in Manning, and most of you will be at the meeting on Thursday at Wikked Wings.

QUOTE: "If you don't go after what you want, you'll never have it.

If you don't ask, the answer is always no.

If you don't step forward, you're always in the same place."
