AUGUST 2015

NEXT MEETING : AUGUST 13TH

Presidents Corner:

Hi Cruisers. Boy it's been HOT, thank God for air conditioners. Things have been pretty quiet. Haven't heard from any members about being sick. Let's keep those who are in our prayers.

We've had 4 new members added since last meeting. Don Herlong, JT Player and Jesse Robertson rejoined the club. Roger Davis joined at our last cruise-in. We welcome them and their families to the club.

Times getting close for our September show. Bobby will be looking for help. Please be ready to sign up, many hands makes the work easier. Is anyone working on homemade trophies? Please let Bobby know.

We had a good turnout for our last cruise-in. Would be nice to see more club members at our cruise-ins.

If everything goes right, the Marcella's and Sanders won't be at the August meeting, we're headed for the Woodward Cruise in Detroit.

I hope a lot of you will be at the August meeting supporting the other officers and the club.

See you soon,

David

President David Marcella opened the meeting and gave an update on those who have been ill. There were forty members present including two grandchildren of Bob and Lorraine Trail. The Mancinis brought two guests: Matt and Donna. We were asked to pray for Richard Morris and all who are ill. Congratulations and best wishes went out to Tony and Samantha Mancini III who were married on July 4th!

Bobby Beatson will have a list of tasks and signup sheet for our September car show at the August meeting.

Andrea Marcella stated that the club remains financially sound,

Tony Mancini again appealed for sponsors. Additionally, he knows of a young man in need of a kidney transplant and asked about a possible fund-raiser. More information will follow.

Bob Trail said that all is well with the club's webpage.

Mike Roberson asked if members had visited our Facebook page. There is a link to the Facebook page on the Sumter Cruisers' home page. Check it out!

Mike asked about a list of club members. David said he would e-mail (or snail mail) this information to all of us.

Tommy Mooneyham stated that he could make t-shirts and signs for our cars. More information will follow. Joe Jordan suggested that we investigate club "polo" shirts. David Marcella and Mike Weathersbee will follow up.

We were reminded of the Camden cruise-ins on Friday nights and the "Fat Boys" (Columbia) cruise-ins on second Saturday nights.

In other club news, Rick Hayes is selling a '56 Chevy Bel Air. (See the "For Sale" page on the website.)

Dorothy Larrimore's VW caught on fire.

Bill Burch was honored in the paper for his military service.

David gave an update on Andrea's '53 Ford and thanked all who helped him work on it. David has a torn left rotator cup. (He will update us regarding surgery, etc.)

David and Jack may participate in the Woodward Dream Cruise in Detroit!

Respectfully submitted,
