JANUARY 2016

NEXT MEETING : JANUARY 14TH

Presidents Corner:

Hi Cruisers, hope everyone had a Blessed Christmas and can look forward to having a good New Year.

We have lots to do this month at our first meeting of the year. Hopefully lots of members will be there to help us get started.

Don't forget to fill out a members form and bring your money for this year's dues. If nothing has changed (phone #'s , address, vehicles) you only need to fill out your name on the form. We use it as your receipt.

Don't forget to think about club sponsors. Never too early to start getting them.

We have several members that are having physical problems, please remember to keep them in your thoughts and prayers.

All members, I'd like you to write down something you'd like the club to do this year, ie, cruise to somewhere to eat, go to a certain show together, buy new shirts. Whatever it is you'd like us to do, write it down, sign it and give it to me at the meeting.

Hope to see you at Logan's for the January 14th meeting.

David

Sumter Cruisers' Meeting Notes / Thursday, December 10, 2015 / 6:30 PM

Approximately forty members attended our annual Christmas party at Logan's. Good food and fellowship were enjoyed by all!

The club hosted representatives from United Ministries (Mark Champagne), Relay for Life (Gene Williams), and Crosswell Children's Home (Jerry Allred). Each organization was presented with a check of \$600.00 to assist them in fulfilling their mission. A picture and brief story were featured in The Sumter Item on Wednesday, December 16, 2015.

Additionally, our club and The Head Turnerz car club co-hosted a cruise-in at

K-mart on Saturday, December 12, 2015. Both clubs collected toys and monetary donations for Crosswell Children's Home while displaying club vehicles. The Sumter Item featured a photo and short story on this event as well. The paper ran this information in the Wednesday, December 16, 2015 edition. The club was thrilled to appear in the newspaper twice in one day!

Inspirational Quote of the Month

"Your goal should be just out of reach, but not out of sight."
