JULY 2015

NEXT MEETING : JULY 9TH

Presidents Corner:

Hi Cruisers. Like most of you, Andrea and I have done some traveling over the last few weeks. We've tried to stay out of the heat and therefore haven't been to many shows.

I found out that I tore my left rotator cuff, so not a lot of work has been accomplished on our cars. Andrea has been a good left arm, when I've needed her.

I haven't heard from many members so, I guess most of you are healthy and doing summer things.

Hope you all have or had a great 4th weekend.

See you all at the July 9th meeting at Logan's

David

Minutes of Sumter Cruisers' Meeting / June 11, 2015 / 7:00 PM

President David Marcella opened the meeting shortly after 7:00 PM. 27 members were in attendance.

David acknowledged new members including the Randy and Dawn Lomax and Ronnie Wells. He also acknowledged members who had not attended in awhile, (the Larimore's) but were present this evening. Additionally, David updated us on members who are or have been ill.

David discussed club t-shirts and suggested returning to the original design after selling existing shirts.

He stated that the club received a thank you note from Morningside and thanked those who brightened the residents' day by attending and bringing their classic vehicles.

David congratulated Mark Hodges on his retirement from teaching.

Andrea Marcella updated us on finances. The club remains in great financial condition.

Tony Mancini called for additional sponsors and remarked that some "really big" sponsors would be greatly appreciated!

At this point in the meeting, it was brought to our attention that Mark Hodges' Model A Roadster was getting wet due to a rain shower. Mark stopped taking notes, promptly covered the interior of the Model A, and returned to the meeting completely drenched!

Various upcoming car shows were mentioned. The show at Sumter High on June 20th will be held to establish a scholarship in memory of a Sumter High School student, Katie Carter. David will e-mail additional information regarding upcoming shows. We were all asked to take flyers to these events.

David thanked Tony Mancini for printing a very large quantity of flyers! Information on the magnetic signs for our cars is still pending as mentioned at previous meetings.

David reminded us to keep sick and traveling members in our thoughts and prayers. He asked all of us to inform the club's officers if anyone is aware of an ill member so that a card may be sent.

Ronnie Wells won the 50/50 drawing in the amount of \$46.00!
