NEXT MEETING MAY 8th

Presidents Corner: Hello Cruisers.

Want to remind everyone that we still need the secretary and editor positions filled.

Another busy month, I'll try to remember everything.

The Striped Bass show. Everyone from the club that came helped and made it a good show. We had lots of good comments and they invited us back next year. At April's meeting the members voted to do the show again next year. Mary Alice sent a thank you note to the church and pastor for their kindness.

Our April meeting. There were 32 members in attendance. Wickked Wings forgot we were coming but did a good job of taking care of us. During the meeting, the members present, voted on going back to Porter's for our meetings, it did not have approval, so May's meeting will be held at Logan's. While I'm on the subject, I think we should try, in the next couple of months, to decide where we are going to meet on a regular basis. We need to talk about this and decide.

We also talked about going to Silver, SC to Windsor Manor to display our cars for the residents. We decided to go on the 14th of May. We'll talk more about this at the May meeting.

We discussed the upcoming Iris Fest, May 25th at Swan Lake. I suggested maybe having different meats and maybe pizza instead of ham sandwiches. This is still up in the air and I'm checking on prices. Will have more info at the meeting and we can decide then what we will have.

Our April cruise-in was great. Beautiful weather, maybe 70 or more cars/trucks (I didn't have time to count), the best part was that Jack, Robert, Tommy Smith, Tommy Hickson, and Marvin all made it, to be with the club. Keep those prayers coming. We had 1 new member sign up, (Earl Whitbeck) and several people took applications. Hope to see them all at Logan's on the 8th. All in all it was a very good night for our club.

We have flyers made up for our Sept Show, so please, if you're going to any shows, get some flyers to pass out.

Hope to see you all at **LOGAN'S** for our May 8th meeting.

Remember, to be part of a club means more than just paying dues, **YOU** have to get involved.

David
