**NOVEMBER 2013**

**NEXT MEETING-  
NOVEMBER 14**

**Presidents Corner:** Hi Cruisers. Our last meeting went well. About the same number of members showed up as before- guess it's not the food!! Our last cruise-in was good too. Again, not many members showed up but a lot of other cars, including the "Batmobile". That car drew a lot of lookers and questions. We met some new folks and told several people about the club.

**At our last meeting we were asked to bring our cars to the Golden Corral, November 11, from 4 to 8 PM for Veterans Day. Several members said they would be there, so I hope everyone can be there with their cars. We will have an assigned parking area.**

This month we will vote for our club officers. I hope everyone will make the meeting, vote for our club officers, and support those that are chosen.

Thanks, David

**Last Meeting** October's meeting was held at the Golden Corral. Several members drove their show-cars to the Corral, where they were so appreciated. There were 32 members present. The meeting went well for our first meeting "on the road". Until, thru trial and error, we see which establishment works to our advantage, we will be experiencing a different place each month for our meetings. So please make sure you check the newsletter to see where we will meet. Next meeting will be held at the *Hibachi Grill*, just across the street from the Golden Coral on Broad Street.

A hardy thanks to all who helped move our cruiser stuff out of Bobby Porters to Mary Alice's aunts. Also, we want to thank the Beatsons for letting us store it there.

We're looking for sponsors for the next year. There are a lot of big corporations out there, such as Continental Tire, etc. We need to get moving and approach these companies now for next year.

A committee, (E.Y., Don Barrett, Tony Mancini, Bobby Beatson, Charlie Fossett) to help revamp the by-laws has been set up. With the world around us changing, some areas of the by-laws are due to change as well.

The finances are kept up to date and are in good shape.

The web site is running well.

Sumter Cruiser T-shirts are still available, just contact Tony Mancini or Dave Marcella.

November is the time to elect new officers, and we will have elections at the next meeting. All positions are open to club members, but Annie (secretary) and E. Y. (editor) are asking that someone else take the positions. Please contact one of the nominating committee, EY, Andrea or Annie if interested.

Barry Boettcher's '87 Cadillac was stolen out of his yard. Keep a close eye on your toys.

As always check out the web site for all the upcoming events and info.

The 50/50 amounted to \$53.00 and was won by Annie Dennis.
